

Skype Super-vision and Consultation

EXTENDING YOUR THERAPEUTIC OR SUPERVISION PRACTICE

HOW DO I APPLY?

When you apply for a consultation place you will need to provide the following:

- A written response to this question, 'At the end of this year, what are the changes that I hope to notice in my practice?'
- A summary of your professional and clinical experience.
- A copy of a super-vision contract in with some-one other than me.
- A focus for the clinical work, i.e. couple, individual, child and adolescent, family work, super-vision.
- A technical skill you'd like to practice and extend.
- A commitment to provide 5 – 10 min transcripts, letters, DVD or audio material. This can include out-of-session prismatic dialogue conversations.

WHEN I BEGIN THE SKYPE PROCESS, WHAT WILL BE REQUIRED OF ME?

- Completion of exercises as recommended.
- Review of DVD series (including exercises) as recommended
- Participation in a reflective practice.
- The provision of direct therapeutic or super-vision work.

RECOMMENDATIONS

If you have attended less than 6 days training with Johnella, we recommend you review the 2 DVD Series either before or during the year.
